🔥 **FIRE ENGINEERS, DESIGNERS & INSTALLERS — LET'S CONNECT!** 🔥

At Cougar Pumps, we work closely with fire safety professionals across a variety of Industries and we're looking to connect with more fire engineers, designers, and installers who need reliable pumping solutions for their projects.

As UK distributor for Peerless Pump, we deliver superior fire protection to facilities worldwide. Field-tested products are designed for reliability and longevity and include a broad selection of pumps, drives, controls, baseplates and accessories.

✅ Fire pump packages
✅ Horizontal double suction split case pumps
✅ Multi stage pumps for high-pressure installations
✅ Vertical in-line pumps
✅ Vertical turbine built in standard and special materials for suction lift applications
✅ Jockey pumps
✅ Customised skid packages and enclosures for commercial, industrial and energy projects
✅ Peerless FireConnect®
✅ Industry expertise you can trust
