

PLEASE DON'T MISS THE BOAT!

We wanted to alert you that our European factories will be closing for the duration of August.

If you anticipate needing spares, repairs, installations, or standard supplies, it's advisable to plan ahead and factor in additional time in order to prevent delays.

At Cougar Pumps, we are committed to ensuring your operations continue to run as smoothly as possible.

By providing us with ample notice, we can endeavour to meet your requirements.

Get in touch with the Cougar team today to place your orders sales@cougar-industries.co.uk
