

Photography Show

meet the artists

Opens Wednesday, March 22, 4:30 - 6:30 PM

show runs till April 26

In the early 1980s, Agnes Zellin and Paul Tick met while photographing two different sides of NYC. This is the story of two young photographers, searching for meaning and searching for love, and the photo show that never happened—until now.

Please join the photographers at the Chamber of Commerce, 318 Delaware Ave, Delmar, 12054.

The show opened in the Capital Region last year to excellent reviews. Now is a chance to see selected photos from the show.

The companion book, *Later, Rather than Sooner*, will be on sale.
