

To Life! thanks all our supporters of our biggest ever **Paint Bethlehem Pink!** breast cancer awareness campaign!

Pumpkins were generously donated by: Ellms Farms (Ballston Spa), Hannaford, Robinson Ace Hardware, and Shoprite. A lovely shade of pink paint courtesy of Sherwin-Williams. Painting completed by community volunteers and Bethlehem Central High School and Lab School volunteers! Thank you, thank you, thank you!

Thanks to our partners in raising awareness for getting screened and educated about breast cancer:
