

FEATURE | The Brockville General Hospital's Phase II Redevelopment Project is Underway

At a Glance...

The project will consolidate programs and services currently offered at the Hospital's Garden and Charles Street sites to a single campus at the Charles Street site.

The project involves a combination of new construction and renovations, including a new five-storey tower that will accommodate:

29 mental health beds

*

32 complex continuing care
and palliative care beds

*

32 inpatient rehabilitation
and restorative care beds

***Contributions to the project for any amount
are greatly appreciated and truly make a difference!***
