2025 UCC Yearbook Reporting

It is time to submit your church's information to the **UCC Yearbook**. The UCC Data Base and Directories site is now open for you to begin entering your church's information here: https://engage.suran.com/ucc/s/login

In case you were unaware:

1. **Your church's 501(c)3 status is dependent on a current updated listing in the UCC Yearbook.**
2. When your church is **searching for a Pastor** you will need current and updated data which comes from the UCC Yearbook. If no reports have been submitted for your church for five (5) years, all data reverts to zeros.

Linked below are documents from the National UCC office to help you get started:

- **Church Yearbook Instructions**
- **12 Important Reasons to Report Annual Church Data**

Data Hub closes to churches at midnight Eastern Time on March 21st. Thank you for all your hard work in collecting and reporting. Your participation is the ONLY way our records are kept up-to-date. If you need help, please contact Dana at our Conference Office 407 835 7501.

Please make every effort to report. If the technology is too difficult for you please email your report to Dana – dney@uccfla.org and he will be happy to enter the information for you.

Thank you!
