# SOS Upates and Advocacy

This year's trip to Pride at the Capitol was well-attended by our SOS (Standing with Our Siblings) group. Eighteen(ish) people representing several congregations around the state gathered for a time a fellowship at United Church in Tallahassee on Sunday, (1/25), for Pride at the Capitol (1/26-27), and the Let Us Live March for Transgender Rights (1/28).

NOTE: There are still opportunities to advocate at the Capitol this legislative session! SOS will continue meeting monthly on the 1st Wednesday of the month at NOON on Zoom. Anyone is welcome to join us at any time. Even if you're not able to attend the meetings, you're welcome to join the email list!

## Equality Florida will be running buses up to the Capitol on Feb. 17 and 18

This is shaping up to be the most dangerous legislative session we've faced in the last three years. Anti-LGBTQ bills are moving fast. And unless we stop them, they're on track to become law. That's why we're renting buses to bring hundreds of Floridians to the Capitol—to flood the halls, pack committee hearings, and be the sand in the gears that stops these bills in their tracks.

Tuesday, February 17th: Departing Sarasota with a pick-up in Brandon (one-day trip)
Wednesday, February 18th: Departing Orlando with a pick-up in Gainesville (one-day trip)
