

CCCAOE SPRING 2021 CONFERENCE

MODELING INCLUSIVENESS LEADS TO A SUSTAINABLE CALL TO ACTION

MARCH 3-5, 9-11, 16-18, 2021

WE BELIEVE EVERY STUDENT MUST BE GIVEN A CHANCE
TO PARTICIPATE AND BENEFIT FROM CAREER EDUCATION.

CCCAOE's Spring 2021 Virtual Conference will **bring learning to transform the model of career development around sustainable calls to action**. The event is a vital component to the growth and development of career education and educators. Join in the energizing opportunity to hear from leaders and peers, who like you, show up every day in their roles as active leaders. Speakers include: ***Dr. Pedro Noguera, Dr. Robert Eyer, Dr. Adriene "Alex" Davis, and more.***

The Spring 2021 Virtual Conference goal is to **foster inclusive conditions and sustainable action in the following areas: Strong Workforce Program, Perkins, Regional Promising Practices, Industry Partnership Success Stories, Apprenticeship, Strong K12 pathways/dual enrollment models, Inclusive Practices targeting at-promise populations, and more** - workshops will provide promising practices that support student success, **high-quality professional learning opportunities, student engagement & retention, system practices, using data to build high-quality programs, and building better hiring practices**. These sessions are intended to nurture a sense of community between all students, innovation in diversity and inclusion for all students

We aim to cultivate discovery and problem-solving through idea sharing and community building. We seek to **highlight** the ***how*** and ***why*** of practices, strategies, or models and to facilitate reflection and engagement that helps ***translate VISION into practice***. We are mindful of the need to **discuss issues facing Career and Workforce Education educators, administrators, and other key stakeholders** as they seek to prepare students with the knowledge and skills to succeed in the future of work.

Get a relevant and exciting look at forward-thinking, cutting-edge professional, and leadership development to support your student success efforts. Gain knowledge and inspiration that will help you be the best leaders in your classrooms, school districts, and college campuses whether locally, regionally, statewide, or nationally. All to enhance student success from K-12 and beyond.
