

## MEMORANDUM

**TO: ALL BASEBALL ONTARIO SANCTIONED TEAMS**  
**FROM: BASEBALL ONTARIO'S SAFE SPORT COMMITTEE**  
**DATE: MAY 26, 2020**  
**SUBJECT: OUT OF PROVINCE/COUNTRY TRAVEL**

In response to the COVID-19 Pandemic, Baseball Ontario has suspended in-person baseball activities.

As such, any permission to travel previously issued for competition outside of Ontario is hereby revoked for all events, without exception, until further notice. Teams are prohibited from traveling to baseball events, including, without limitation, tournaments, games and/or training, outside of Ontario.

Violation of these restrictions will leave the offending team and its local association vulnerable to discipline up to and including expulsion from the organization.

Please note that these restrictions remain in place until such time as the Canadian Federal, US Federal and Ontario Provincial governments lift travel restrictions, and Baseball Ontario permits travel outside of Ontario by its teams for baseball events.

Teams may send this memorandum to US tournament hosts looking for confirmation of Baseball Ontario's prohibiting Ontario teams from attending baseball events outside of Ontario.

This memorandum is issued by Ontario Baseball Association, Inc. o/a Baseball Ontario, the recognized provincial sport organization for baseball in the Province of Ontario.
