(If you are asked for a password, the church password is **NEXT327**)

2. A page will appear titled "Welcome Groups!" There are two Add to Cart options: Group Recordings Subscription Access and Join Us for the Live Event. Click on both of these options, adding both of them to your cart.

3. Next, click on the cart icon in the upper right-hand corner and then click "proceed to check out."

4. Even though everything is free, it asks for your Billing Details (you do not need to enter a credit card, but you will be asked to create an account username and password) and Additional Information. Once you've filled out all of this demographic information, click the teal box at the bottom that says "place order."

5. Once your order has been placed, you will receive an email confirmation. Do write down and remember your username and password.
