10. You have now registered for your first Parent-teacher Conference. Repeat steps 8 and 9 for each teacher you would like to schedule with that student. You will not be able to book that same time period with any other teacher for that student.
11. If you have more than one student you would like to schedule conferences for, you should see a tab at the top of the screen in the blue bar showing all of your kids names. Click on the next child and repeat the steps.

Here are some things to keep in mind.

1. If you would like to change the form to Spanish and it is available at your school, you will see a dropdown menu on the right side of the screen when in the form. If Spanish is not available at your school, the dropdown menu will be blank.

2. The system will keep track of your conflicts between teachers for one student. It will not keep track of conflicts between multiple students, so be careful not to double book your time with multiple teachers during the same time period.
3. Forms is now available to use through the Mobile app on your phone.
