Meet the Counselor

Hi! My name is Dr. Nation & I'm your child's School Counselor. This begins my 5th year at Stone Ridge. As the School Counselor, I help ALL students apply academic achievement strategies, manage emotions, & apply interpersonal skills by:

- Classroom guidance (i.e. large group counseling) lessons
- Short-term small group counseling
- Attending & participating in academic and behavior intervention meetings
- Organizing building testing
- Observing students in various school environments
- Consulting & collaborating with parents, teachers, administrators, social workers, & students
- Responding to school crises or emergency situations
- Providing information & resources to parents on a variety of issues

Please contact me anytime throughout the year if I can be of service to your family!
