

Register Now for Palliative Care Training!

Two fully funded palliative care training opportunities from Pallium Canada will be available to health care providers in the **North and Central Okanagan area** in early 2026. This is a limited time offer, so register now to secure your seat!

Pallium Canada is deeply grateful to the Foord Family Foundation, whose generous support has made these sessions possible.

LEAP
CORE

LEAP Core (hybrid) is an interprofessional course that provides registered health professionals with the essential skills, knowledge, and confidence to improve care for patients and families facing life-limiting illnesses.

Self-paced learning: Complete the 3 pre-course work and 17 interactive, online self-learning modules.

Workshop: Participate in an in-person, interactive, case-based workshop led by LEAP facilitators.

Accreditation: This Group Learning program has been certified by the **College of Family Physicians of Canada** and the **Quebec College of Family Physicians** for up to **12.0 Mainpro+** credits.

LEAP Core (hybrid) is also accredited by the Maintenance of Certification Program of the **Royal College of Physicians and Surgeons of Canada** for **12 hours**.
