

# Rural Water Digital Contingency Plan

Fall Conference | October 5 – 8, 2020 | Layton, Utah

**Regardless of whether it is online or in person, Rural Water will be holding the Fall Conference. In the event we are not able to meet in person, RWAU will move to a digital event using the following guidelines:**

**Rural Water Association of Utah**  
76 Red Pine Drive  
Alpine, UT 84004  
801-756-5123  
[www.rwau.net](http://www.rwau.net)

## **Backup Plan for a Digital Fall Conference:**

- Water and Wastewater Operator certification classes will be held online. Certification exams can be taken at the next in-person testing opportunity (the Rural Water Annual Conference) or be proctored online. Fee structure will remain the same.
- Cross Connection Control Program Administrator Certification (CCCPAC) classes will be held online. Certification exams can be taken at the next in-person testing opportunity or be arranged to be proctored online. Fee structure will remain the same.
- “Regular Conference” registrations will be converted to “Digital Conference” registrations, where 1.0 CEU credits will be offered online for both Water & Wastewater. Fees will be reduced from the onsite price to the “Digital Conference” registration amount.
- All other events (Exhibit hall, Cornhole, Backhoe Rodeo, Keynote Sessions etc.) will be cancelled.
- If we do in fact have to go to a digital event, RWAU Staff will email the appropriate digital links and other info to registered attendees at that time.

## **Financial Transactions (Vendors & Attendees):**

- If the digital options above will not work for you, you will have the following options:
  1. Apply money paid toward either 2021 Annual or 2021 Fall Conference
  2. Apply money paid toward Membership Dues or the Research and Education Fund
  3. Receive a full refund
