Who Needs Training on RHC documentation, coding, billing, and quality reporting?

- Do you providers, managers, and coding/billing/quality staff have a **shared foundation of knowledge**?
- Do your **clinical providers know the documentation rules** related to capturing the valuable services they provide?
- How confident is senior-management that the RHC is not **under-valuing their "true costs"** on the annual cost report ?
- How long has it been since they received updates that are **relevant to the unique needs of a Rural Health Clinic**?
- Does your RHC **have a full record of each service provided** (CPT/HCPCS-II codes) and why they were done (ICD-10-CM codes)?
- Are you **generating all of the revenue that you are entitled to** when billing non-Medicare/Medicaid payers?
- Are you **reporting quality measures related to Shared Savings**, Risk Adjustment, HCCs, or other Quality Improvement programs?

INCLUDED: class slides, practice exam, optional certification exam, and support.

Day 1 – June 2, 2020 and Day 2 - June 3, 2020

9:00 a.m. – 12:00 p.m.

CEUs (Continuing Education Units) - 11 CEUs Approved by ArchProCoding & AAPC

***CME (Continuing Medical Education) Credits for MD, DO, NP, PA, RN: 11 CME Credits**

**This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Nevada, Reno School of Medicine and Association for Rural & Community Health Professional Coding. The University of Nevada, Reno School of Medicine is accredited by the ACCME to provide continuing medical education to physicians. The University of Nevada, Reno School of Medicine designates this live activity for a maximum of 11 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.*

Earning the optional Community/Rural Health Coding and Billing Specialist (CH-CBS) (RH-CBS) Certification

Upon completing the live class authorized attendees will be able to take either the Community or Rural Health Coding question online certification examination. The exam is scored immediately and if a score of 70% is achieved, a certification of Community or Rural Health Coding & Billing Specialist (CH-CBS) (RH-CBS) will be granted by the Association for Rural & Community Health Professional Coding.

Full attendance includes the live training sessions, access to final certification exam and a one year membership if you pass the optional exam. Following the VIRTUAL LIVE class you will have discounted access to a 30 question practice exam with answer rationales provided plus the option to take an online examination to earn a certification as a Rural Health - Coding & Billing Specialist (RH-CBS).

Learn More to Earn More!

Virtual Live access instructions will be sent to each verified email address the day before the session.

Anyone seeking CEU/CME or access to the optional certification exam must register individually!
