ASSOCIATION OF ILLINOIS SOIL AND WATER CONSERVATION DISTRICTS

April 2026

Subject: Sponsorship Opportunity – Illinois Envirothon

Dear Friend of Conservation,

The **Association of Illinois Soil and Water Conservation Districts (AISWCD) Foundation** is seeking sponsors to support one of Illinois' most impactful youth environmental education programs — the **Illinois Envirothon**.

The Illinois Envirothon engages high school students from across the state in hands-on learning about soils, forestry, wildlife, aquatics, and current environmental issues. Through regional and state-level competitions, students develop critical thinking, teamwork, and leadership skills while exploring real-world natural resource challenges. The top team from Illinois goes on to represent our state at the National Envirothon, competing against teams from across the U.S. and Canada.

Your sponsorship directly supports:

- Educational materials and field equipment for hands-on learning
- Venue and event logistics for the statewide competition
- Meals and lodging for student participants and volunteers
- Awards and recognition for top-performing teams
- Travel support for the Illinois champion team to attend the National Envirothon

By becoming a sponsor, you will help inspire the next generation of conservation leaders and demonstrate your commitment to protecting Illinois' natural resources. Sponsorship opportunities are available at various levels, and all sponsors will be recognized in event materials and communications.

We invite you to partner with us in making the **2026 Illinois Envirothon** a success. Together, we can continue to provide students with valuable, real-world conservation education experiences that will shape their futures and strengthen our communities.

Thank you for considering this opportunity to invest in Illinois' youth and the future of conservation. Please contact Ashley Curran at ashley.curran@aiswcd.org or call our office at (217) 744-3414 for more information on sponsorship opportunities.

With appreciation,

The AISWCD Foundation Board
