

## ***Laudato Sí* – Statement of Commitment**

We, Rochester Franciscan Sisters and Cojourners, recognize the great challenges of our Mother Earth and ask, “How can we be Silent?” Mother Alfred Moes tackled the needs of her day with conviction and determination that gives rise to our current and urgent call to respond to the cry of the earth and vulnerable communities.

Led by the Holy Spirit in prayer and service we, Sisters and Cojourners, commit ourselves to the [\*\*\*Laudato Sí Action Platform\*\*\*](#) and join in its seven-year journey to integral ecology. We seek to reverence all creation, promote sustainable lifestyles, and collaborate with other faith-based and civic agencies to advocate for systemic and structural change.
