

## A Transformative Resolution

Resolved, that the Franciscan Federation spend the next year in a transformational process. The process will begin upon the acceptance of the resolution on June 12. The Board will lead the process and share the results throughout the year with a view to ratifying the result at the Annual Franciscan Conference 2022.

We, the members of the Franciscan Federation of the Third Order Regular, resolve that there be two new voices on the Federation Board: one that is an executive leader of a Franciscan organization and another that represents emerging forms of Franciscan life.

We further resolve that the Board engage outside expertise in organizational development and transformation consistent with our Third Order Charism.
