

## DON'T MISS OUT: Term Life Insurance Rates are Decreasing in January 2019

ACCE Benefits Trust is pleased to announce a significant decrease in the composite rate for their Term Life insurance benefit! Effective January 1st, the already competitive rate will decrease by approximately 40%.

An essential work benefit option that provides security of income when unexpected life events occur, Term Life insurance is a very cost-effective choice that will provide a critical safety net for your employees and their loved ones.

Benefit amounts can range from a flat \$50,000 per employee to 1.5x, 2x or 2.5x salary levels.
