

## Changes in Zone Management

### Zone A

Khoa Hoang, Zone A Manager, will retire in June. During his ten years with Zone Management he supported his customers and mentored both his employees and others in BGM. Khoa and his team have maintained key LBRE programs, including Building Shutdowns, Plans Review, Building Commissioning & Turn-Over, and FDG Updates.

Edmund Chiu was promoted to the position of Zone A Manager. For the past eight years, Edmund served as a Zone Engineer and Shop Supervisor of the Paul Allen and Annex buildings maintenance shop. Edmund is familiar with Zone A customers and buildings. He brings technical and leadership skills to his new role. Edmund and Khoa will be working closely together to ensure a smooth transition.

### Zone C

Kathleen Baldwin, better known as KB, will be retiring from the Zone C Manager position in July. She has been at Stanford since 1998, starting as Building Manager for the Cantor Arts Center before working for LBRE.

## New Staff

### Omar Saleb, Zone Project Manager

Omar graduated in mechanical engineering from the University of Utah. In his spare time, he likes to play soccer, ski and enjoys music concerts. Omar's mechanical engineering expertise and project management skills will be a great addition to the Zone Team.

### Matt Milam, Zone B Engineer

Matt comes to Stanford from Oracle and has a facilities engineering degree from the California Maritime Academy. He is a Bay Area native. He likes to snowboard and when the snow melts, he backpacks in those mountains. Matt brings experience with data centers, and has worked with DDC Niagara control systems in previous positions.
