

### 🚗💡 \*\*2nd Annual Car Show: A Huge Success!\*\* 💡🚗

We're thrilled to announce that the 2nd Annual Car Show hosted by SUDPS was another fantastic event that brought the Stanford community together! This year, we had around 80 stunning cars on display, showcasing a diverse range of styles and innovations that truly celebrate automotive excellence.

A special shoutout goes to Edwin Mendez from the LBRE Grounds Department. Not only does Edwin have a passion for keeping our grounds beautiful, but he also has a hobby of photographing cars in his spare time. He captured so many fantastic moments and details from the event, and we can't wait to share just a few samples below!
