

## Jane Stanford Way

As of October 7, 2019 Serra Mall officially changed to Jane Stanford Way in honor of Stanford University's co-founder Jane Stanford. Our very own Dr. Laura Jones played a role in this effort, along with Elena Angoloti who is working on the signage on campus. Maps and Records is working on changing Stanford maps (see map below) as well as, contacting Google to make necessary updates. On November 14<sup>th</sup> President Marc Tessier-Lavigne and Provost Persis Drell will host a renaming ceremony for the campus community.
