Storytelling FOR CHANGE

As a part of the OUTReach project, Storytelling for Change is a series of workshops designed to strengthen the storytelling skills of LGBT+ older adults — giving you the tools to amplify the power of your voice!

Storytellers must participate in all four workshops, and upon completion will receive a certificate, honorarium and the opportunity to share their story live at the virtual Storytelling for Change Showcase in Spring 2025!

All trainings are 10 a.m. – 12 p.m. CST
