PAIRS WITH PRIDE

Who we are

We create **one-on-one, intergenerational connections** between **LGBTQIA+ older adults** and **students**

What we do

- Matched pairs meet for **1 hour weekly** virtually or in-person
- Pairs share their **personal stories** and **backgrounds**
- We **provide supplies** for pairs to re-engage in activities they love like art, language learning, photography, and more
- We **promote advocacy** for pairs to explore opportunities for personal growth, engagement, and mutual support
