What is a Power of Attorney?

A Power of Attorney allows you to appoint a trusted individual to make health care and/or property decisions on your behalf when you are no longer able.

What is a Last Will and Testament?

A Will allows you to direct how you want to distribute your property after you pass away and who you want to be responsible to make the distributions.

What is a Transfer on Death Instrument (TODI)?

A TODI is a document that simplifies the title transfer of your property after you pass away. It allows you to name a beneficiary for your real property (house/condo/land) to help avoid the probate process.
