

Congregational Survey

The church council of Rejoice is concerned about the best way to build up community as we continue to heal and move forward. One commonly voiced suggestion is to have one service each Sunday, as Rejoice does during the summer months, in order to help us get to know one another better, as well as to draw us together as one committed community of compassion and care. Recognizing that this is a decision that needs to include input from many, we would appreciate it if you would take time to read through the survey, pray about it, and then fill it out and return to the church by Sunday, Dec 9.
