CRESCENTVIEW SCHOOL ($53,486)

2025 SPRING COMMUNITY GRANT

Multi-Sport Court

With the partial funding from CFPD, Crescentview School was able to complete their Outdoor Multi-Sport Court Project, with a grand opening event held in June, 2026. This newly built recreational space (with court asphalt, benches, & fencing) provides opportunities for basketball, pickleball, hopscotch, and four-square. The space is being used frequently by students and the community at large.

Numerous Benefits

The Grant provided by CFPD has increased the options for outdoor recreation in our community, meaning:

- Greater variety in Phys. Ed. programming to students;
- More opportunities for the public to engage in physical activity;

...and all the physical, mental, and social benefits that come with being active, getting outdoors, meeting up with friends, and trying something new!
