

DONOR FEATURE

Southport Aerospace was able to present CFPD with \$7000 as a result of their Annual RUNway event—support that will make a significant difference in our local community through our Community Grants Program!

The late Peggy May, former CEO of Southport, established the Southport Fund in 2015 as a response to the Thomas Sill Foundation's donation-matching challenge in that same year, in order to provide a lasting way to give back to our community. Since then, Southport has hosted a number of charity events to promote CFPD and their Fund, including the 'Southport RUNway'.
