Four local businesses—**Ellwood-McRorie General Contractors**; **Cobbe's Plumbing & Heating**; **MNP**; and **Simplot Canada (II)**—have all committed to provide at least **up to $2000** in 'stretch funding' for CFPD's upcoming *Giving Challenge* on **Nov.9-15**. This support means that, for this week only, your charitable gifts* will go even further—increasing the impact on our Community Grants Program, the local organizations that receive funding, and the people they ultimately serve.
