1

Family Dreidel Garland

Materials:
Cardboard Box
Construction paper
Long String
Scissors
Glue

Instructions:
Use a cardboard box to cut dreidel silhouettes. Decorate each dreidel with construction paper like each member of the family. Attach each dreidel to a string, leaving space in between. The garland is ready to hang and decorate your home for the Holidays.

2

Origami Dreidel

Materials:
Oragami paper or any kind of paper.
A pencil

Instructions:
Cut the paper into a square and click on the link bellow to follow the instructions in this video:

https://www.youtube.com/watch?v=TheEkZetsRI&feature=share

3

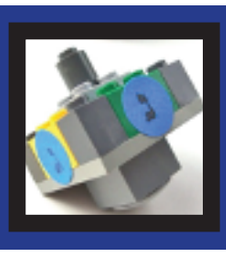

Edible Dreidel

Materials:
Pretzel Sticks
Marshmallows
Chocolate Kisses
Frosting
Food Coloring

Instructions:
Break off a piece of pretzel stick for the handle and jab it into one end of marshmallow. Dab a bit of frosting "glue" onto the other end of the marshmallow. Apply flat side of kiss/chip to frosting. Write Nun, Gimmel, Hey and Shin around marshmallow with the food coloring.

4

Lego Dreidel

Materials:
1 1x1 round brick
1 2x2 plate
2 2x4 bricks
1 4x4 plate
1 2x2 brick
1 2x2 round plate

Instructions:
Collect the brick pieces. Connect them in the order as they are listed. On sticker labels write the Hebrew letters and stick them around the dreidel. It's time to play LEGO dreidel.

5

Window Glass Art Dreidel

Materials:
Construction paper
Contact paper
Tissue paper
Scissors
Dreidel Silouehettes

Instructions:
Cut out of construction paper a dreidel silhouette.
Stick the dreidel to a piece of contact paper.
Cut small pieces of tissue paper, any color is good, and stick them to the contact paper filling up the whole dreidel inside.
Cut the extra contact paper around and your dreidel is ready to be hanged.

6

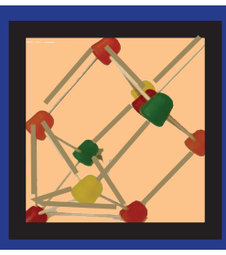

CD Dreidel

Materials:
Old CD
