Looking to foster that special bond with your child and other families? Start your journey with us. Participate in a full range of classes, holiday celebrations, events and more. We offer you and your children the best programs so they can become active and energetic community participants. Our programs are designed especially with your children's growth and development in mind.

ZUMBINI

Zumbini is a high energy, fun, original, contemporary take on music and movement program. Children experience with a caregiver the ultimate bonding experience! Zumbini is unique with original music and more movement than a typical early childhood education music and movement class. Come ready to move and shake!

LIL' TUMBLERS (Parent & Tot)

An age-appropriate introduction to gymnastics using creative expression and movement through the use of playful games and all of the gymnastics equipment with lots of parental hands-on assistance. Parents provide comfort in preparation for the transition to independent gymnastics classes. Children will bounce, swing, and roll their way through this class.

GET FIT!

The Loop circuit combines exercises that address each part of your body and allow for motor skill and balance development for your child.

NURTURE THE BOND
