Dear Potential Sponsor:

Cancer Support of Deming & Luna County, Inc., has had to postpone our 15<sup>th</sup> Annual Celebration of Life walk due to the COVID-19 pandemic. We are going to move forward with printing and selling the commemorative t-shirts. Because of your past support we would like to invite you be a sponsor this year as well. We are adding a "Bill Me Later" option this year. The "Bill Me Later" option of the agreement will have an invoice sent to you at the end of June that will be due in July. We know that things are very different during this time and want to be sensitive to our loyal supporters.

This year we are honoring Sylvia Orquiz and Ramona DeFoor who are outstanding cancer warriors. They are representative of everyone who benefits from the generous donations collected from the Celebration of Life. Because of our sponsor's support we have 4 vans to transport patients to Silver City, Las Cruces and El Paso free of charge. Last year alone we made 744 trips totaling over 75,150 miles traveled and gave out over \$22,000 in vouchers and reimbursements.

We want you to know that we are still operating. We are still using vans to transport our patients for treatment while complying with safety protocols and we are still processing vouchers and reimbursements. If you know anyone that needs our services, please refer them to us. Unfortunately, the need for cancer treatment services does not stop.

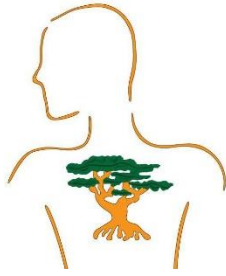

Please consider sponsoring our 15<sup>th</sup> Anniversary Celebration of Life by purchasing an advertisement spot on the back of this year's shirt. The last day to turn in a Sponsorship Agreement is May 27, 2020 by 4pm.

Sincerely,  
The Board of Directors
