

Looking for 2017 Council Delegates!

Council Delegates are the clubs representative that serves on the **Macomb County Youth Council**.

What is MCYC? Macomb County 4-H Youth Council was established in 2013. It is a county wide leadership opportunity made up of representatives from each 4-H club within the county. They are the decision making body as to the direction and needs for Macomb County 4-H. In addition the MCYC works together to promote 4-H and plan countywide activities and events.

Michigan 4-H believes that youth should be participants, rather than recipients in the learning process. Extension staff and Adult Advisors work together to teach youth about strengthening youth voice and youth-adult partnerships at the club and county level. The Council provides an outlet for youth voice at the County level.

If you are interested contact your county Extension office 586-469-6431.
