

MICHIGAN 4-H National Youth Science Day

DATE & TIME:

October 4, 2017
4 p.m.—7 p.m.

LOCATION:

MSU 4-H Children's
Garden

We are giving away
FREE science
experiment kits to 3
visiting families and
you'll be able to
nominate your school
for an extra large
science experiment kit!
We'll select at least one
winning teacher!

YOUTH, FAMILIES, AND STUDENTS!

Come explore the beautiful MSU 4-H Children's Gardens and participate in hands-on experiments! MSU students, come discover what science resources are available to you: student groups, research opportunities, and classroom support. Indoor activities planned as well, so event is rain or shine! No need to register, all are welcome.

FEATURED ACTIVITIES:

- Aeronautics (drones, rockets, and airplanes)
- Engineering (junk drawer robotics, Rube Goldberg machines)
- Environmental science (water bugs hunting and water filters)
- Animal science (skeleton building)
- And more!

FEATURED GROUPS:

Michigan 4-H

MSU Create 4 STEM

And more!

MSU is an affirmative-action, equal-opportunity employer, committed to achieving excellence through a diverse workforce and inclusive culture that encourages all people to reach their full potential. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status. Persons with disabilities have the right to request and receive reasonable accommodations.
