**10:45-11:15 4-H Grows Here Workshops - Connecting Creative Art to LIFE!!**

**11:25-11:55 4-H Grows Here Workshops -Connecting Creative Arts to LIFE!!**

A. 4-H Grows Profit

Do you have a handcrafted item that could be turned into a sellable product? Wondering how to calculate your cost and determine a good selling price for your item? This session will cover the basics of break-even cost for production and packaging. It will also explore how to conduct a focus group to determine your pricing strategy and make the most profit from your target audience.

B. 4-H Grows Creative Thinkers

Join the ongoing debate that explores the connection between the Creative Arts and Science. Brainstorm, discuss and debate the science within a number of creative art areas. Participants will have the opportunity to decide for themselves whether science is art or art is science.

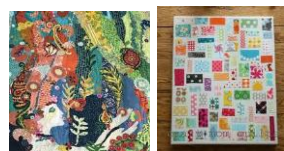

**12:00-1:00 Lunch**

## 1:00-3:30 Session 1 - Register for ONE session

### C. Fabric collage

**Materials:** An 8 X 10 piece of mounting board in a color and a pair of tweezers. If you have fabric that has a realistic small scene or animal, bring it too.

Use half inch squares of fabric and longer tree shapes to make a picture you can later frame under glass. Small squares and tree shapes will be provided. Learn perspective, blending techniques in this no-sew project.

### D. Glass Etching

**Materials:** Supplied

Create a beautiful etched glass mirror with a design of your choice. After attending this workshop, you will be able to conduct a glass etching workshop in your county. Participants need to bring a design no bigger than 10" X 10" to be transferred on a mirror. Simple designs like sports team logos, with not much detail are the best to use for their first glass etching project.

### E. Fashion Storyboard

**Materials:** Supplied

Be a fashion creator. Anyone can learn how to put your clothing ideas down on paper like a designer. You will use fashion figures and learn how to "dress" the figure with your own designs in black fine line marker, including the creation of a complete storyboard.

### F. Fabric Crate Liner

**Materials:** Crate, sewing machine (If possible), thread, pins, scissors, (rotary cutter, mat, ruler optional), fabric.

Spice up an old or new wooden crate with a fabric liner.

You need to provide your own crate, sewing machine (If possible), thread, pins, scissors, (rotary cutter, mat, ruler optional), fabric. To determine amount of fabric needed, measure side, bottom, side, plus 8 inches for both width and length. For example, 11W x 14L x 6D crate,  $6+11+6+8=31$  for width,  $6+14+6+8=34$  for length. You would need a piece of fabric 31 inches by 34 inches.

### G. T-Shirt Quilt/Pillow Case

**Materials:** Please bring 4 to 5 t-shirts and 2 yards fabric that coordinates with the t-shirts and 1 yard to coordinate with the fabric, 2 yards light weight Pelon, sewing supplies. Beginner to intermediate you will learn how to take a t-shirt and make it into a quilt/pillow case.

#### H. Cupcakes Galore

**Materials:** Supplied

Learn some basic cake decorating skills while decorating cupcakes and creating a Thanksgiving display to be enjoyed by all. The cupcakes will be dessert for all the participants Saturday evening

#### I. My Time

You know your schedule and your needs. If you need time to prepare for your session, if you think you might need additional time to complete a project from another session or know you will need some alone time select this session. \* After the first session time there will be a room set up for projects that will need to be finished. **There will be time on Saturday evening to finish projects.**

### 3:45-5:15 Sessions 2 - Register for ONE session

#### J. Easy Sew Skirt

**Materials:** Bring fabric and notions for the skirt style you select A or B. Link to pattern back for materials

<https://www.simplicity.com/simplicity-storefront-catalog/patterns/women/skirts--pants/simplicity-pattern-8650-misses-pull-on-skirt-and-belt-bag/> Or contact Beth Wood at [woodbet1@msu.edu](mailto:woodbet1@msu.edu) and she will e-mail a picture of the back of the pattern.

New to sewing? This class is designed to help you become comfortable with both a sewing machine and serger. It will also teach you pattern layout, cutting, essential construction skills and finishing techniques as you learn to create an applied elastic casing, pull-on Simplicity skirt - style A or B only. **This Project WILL take more time to finish. So we STRONGLY recommend that you sign up for My Time during the 7:30-9:00 session Saturday night in order to finish your skirt.**

#### K. Flooding Cookies

**Materials:** bring a cookie sheet or box to transport wet cookies.

Basic beginner class, participants will learn on how to outline and flood cookies with Royal Icing. After the cookie is outlined, a thinner version of the same icing is used to fill the outlined area. This is called FLOOD icing. It will usually flow until it fills the entire cookie.

#### L. String Art

**Materials:** Participants will need to bring a small hammer to class. A pair of needle nose pliers may be handy for hanging on to the nails.

Participants will learn how to make a simple string art project choosing from at least 2 different patterns.

### X. Beginning Knitting

**Materials:** Knitting needles if possible.

Learn the basics of knitting. Explore a variety of stitches and styles during this session.

### Y. Fun Little Basket

**Materials:** Supplied

Learn the very basics of basket weaving including recognizing the right and wrong side of the reed and twining and make your own unique small basket with round and flat reeds. These baskets are simple design without handles or complicated patterns.

### Z. Magic Pillow Case

**Materials:** Supplied

INTERMEDIATE....must be familiar with sewing machine and tools used. We will make a pillowcase using three different cotton fabrics.

### AA. Quick and Easy

**Materials:** Bring a book and a glass candlestick holder

Learn how to do a variety of fun, quick and easy activities. These activities

### BB. Project Runway

**Materials:** Supplied

Ever wonder what it would be like to be a part of the TV Show, Project Runway? Here is your chance to create an accessory or garment with no previous experience required. Participants can work on their own or as part of a team. Each will be given a chance to define their design idea and then pick materials to make it. Bring your creativity and any recyclable items you would like to use for the design. Materials will also be provided for use. The class will end with a lesson in posing and modeling for a runway show featuring the created designs.

### CC. T-Shirt to Treasure

**Materials:** Old T-shirts, Rotary cutter and mat or exacto knife.

This session will allow participants to reuse their old t-shirts to make a nice heavy yarn that can be used to make hot pads or other items needing a heavy yarn. They will also learn several other ways to reuse their shirts to make Pillows, shopping bags, cat habitats and designer shirts.

### DD. Dyeing with Plants

**Materials:** Participants may bring a small amount of their own fiber (yarn, roving, or small pieces of 100% natural material cloth) to dye in exhaust baths.

Geared toward beginners, participants in this session will learn about

natural dyes, including which plants produce dyes, properties of a good dye, and how to mordant or "fix" your fiber. Find out how to get color out of plants in your backyard or even the grocery store! Participants will have the opportunity to try dyeing silk scarves and learn various shibori (or tie-dye) techniques.

EE. My Time

You know your schedule and your needs. If you need time to prepare for your session, if you think you might need additional time to complete a project from another session or know you will need some alone time select this session. \* After the first session time there will be a room set up for projects that will need to be finished

**9:30 – 9:45 Mid-morning break – Check out of rooms (if didn't during breakfast time.)**

**12 noon - 1:00          Lunch**

**Grand Finale Slide Show of the weekend! Dance presentations!  
Evaluations & Door prizes!**

***Thank you! Safe Travels Home!***
