

ROTHESAY NETHERWOOD SCHOOL

Welcome to Rothesay Netherwood School!

RNS is an independent day and boarding school located in Canada's safest city, Rothesay, NB. This April 22nd to 26th, we are proud to be hosting the Canadian Accredited Senior School Leadership Conference. We are your 2020 student directors: Ally, Heather, Kyla, Miriam, Ore, and Paige. We have been working very hard over the past few months and will continue to work hard to make sure that when you arrive, you will have the most influential and inspiring experience possible, here at RNS. Before we know it, the time will come when you will join us on the Hill. Until then, we hope that your excitement continues to grow as we are extremely excited to be your host!

This year, the theme of the conference is "Swim Against The Current". At the conference, there will be a variety of activities and keynote speakers who will share their stories about how they swam against the current to be where they are today. Over the coming months, you will receive updates as to who is speaking and the types of activities and workshops in which you can take part. The most significant part of this conference is that you come ready to step out of your comfort zone and get involved in something that will be eye-opening. Your experience will be based on your commitment to learning and meeting new people that you will interact with. We guarantee that there will be many opportunities for you to learn and be involved throughout the conference.

We are excited to announce that this year we will be incorporating an environmental component to our conference. As the world around us continues to change, we must find solutions to our impact on the environment. As a CAIS community, we hope that this conference will spark more environmentally aware CAIS school initiatives and allow us to generate ways that we can improve as a whole. As said in our school vision, RNS inspires a passion for learning, the courage to lead, and a commitment to others. And following our school values of character, courage, creativity, and community, our conference will allow you to build character, be creative, courageous, and to grow your community, making new friends from across the country and around the world. We cannot wait to see you in April!

Sincerely, You CAIS 2020 Student Directors,

Ally, Heather, Kyla, Miriam, Ore, and Paige
