February 15<sup>th</sup>, 2021

Dear Valued Customers,

As a result of ongoing cost pressures on raw materials, labor, transportation and other related business costs, Novacart is announcing a price increase of 6% on all of our products, effective May 1<sup>st</sup>, 2021

All orders placed on or after May 1<sup>st</sup>, 2021 will be invoiced at the increased price.

Novacart will reserve the right to restrict any orders which exceed normal ordering patterns or previously submitted forecasts.

Bid and Contract pricing will be honored according to the terms of the contract.

Should you have any questions, please contact your Novacart Sales or Customer Service Representatives. We appreciate your continued support and thank you for your business.

*This letter confirms your acknowledgment and acceptance of the new pricing by Novacart.*

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Miglia", is written over the printed name and title.
