

March 15, 2021

Dear Valued Customer,

Due to ongoing volatility in resin markets, producers declaring force majeure, rising feedstock costs and record demand, Inno-Pak must announce a price increase on the following Polypropylene (PP) products effective April 15, 2021.

Product categories impacted:

- PP Rigid Containers – 25%
- PP Flexible Film Products – 18%
- PP Sheets and Wraps – 18%
- PP Soup Cup and Bucket Lids – 18%
- PP Soup Cup Combo Packs – 8%

Orders placed on or after April 15, 2021 will be invoiced at the new cost. All orders will be reviewed to not exceed historical usage quantities.

Please know we are doing everything we can to mitigate any disruptions in supply. There are cost effective packaging alternatives as part of our product portfolio such as our Inno-Box Edge line as well as Molded Fiber Bagasse. Please reach out to your local representative to discuss options and alternatives.

We appreciate your business and continued support.
