

March 31, 2021

To Our Valued Stretch Film Customers:

As the rapid escalation of raw material increases continue, our resin suppliers have informed us that their previously announced April 1st resin price increase will be implemented. The combination of unplanned outages in resin production and record low inventories have exacerbated an already tight supply market. These conditions have forced several of our resin suppliers to declare force majeure and/or initiate sales allocations.

As a result of this April 1st increase, AmTopp will be implementing a 9-12% price increase for all products. This increase will be effective on orders received on or after April 19, 2021. All orders must call for immediate delivery.

It is very important to take note that orders will be limited based on your average monthly shipments over the last six months. Based on current lead-times and resin availability, we reserve the right to accept or decline orders for any reason.

Your local Sales Representative is available to answer questions and provide additional information.

Thank you for your business and continued support of AmTopp stretch film products.

Sincerely,

February 10, 2021

To Our Valued Stretch Film Customers:

Our resin suppliers have informed us that their previously announced February 1st resin price increase will be implemented. Global and domestic supply disruptions, continued strong demand for plastic products, and rising transportation and feedstock prices are all contributing factors for this third consecutive raw material price increase.

There will be an 8% price increase for all products, effective on orders received on or after March 1st, 2021. All orders must call for immediate delivery.

It is very important to take note that orders will be limited based on your average monthly shipments over the last six months. We reserve the right to accept or decline orders for any reason.

Your local Sales Representative is available to answer questions and provide additional information.

Thank you for your business and continued support of AmTopp stretch film products.

Sincerely,

A handwritten signature in black ink, appearing to read "Tony Tseng", written in a cursive style.
