

Net Metering - Solar Credit Gifts (rev. 11/1/2019)

Net Metering/Solar Credit Gifts

Thank you for considering a donation of net metering credits to Habitat for Humanity of Cape Cod.

You will need the following Habitat information to allocate credits to Habitat for Humanity:

Habitat for Humanity's Electric Account Number is: 14737720079

Name on Account: Habitat for Humanity of Cape Cod, Inc.

Address on Account: 411 Main Street, Suite 6
Yarmouth Port, MA 02675

Your PV system installer should be able to assist you in the completion of Schedule Z allocating credits to Habitat as a beneficiary. (Note: Schedule Z revisions are allowed 2X per year). We will gladly provide a sample application for reference if you plan to fill out the application yourself. Eversource is also available to answer questions regarding the application, or net meter billing questions.

- You can reach Eversource regarding Applications at 781-441-8285
- You can reach Eversource regarding Net Metering Billing at 800-592-2000

Please let us know about your plan to gift Net Metering Solar Credits by notifying Beth Wade, Director of Land Acquisition & Project Development at 508-362-3559 x 24. This will help us properly acknowledge your gift. Your contribution supports us in our work helping families with critical housing needs on Cape Cod.
