

# 2022 CONCERTS **ON THE GREEN** SPONSORSHIP OPPORTUNITIES

The Frankfort Chamber of Commerce is seeking your support for its annual Concerts on the Green series. The Concerts are held Sunday evenings from Father's Day to the end of August at Breidert Green in historic downtown Frankfort. They are well attended and attract many visitors from surrounding suburbs. Attendance ranges from 600 to 1000 people each week.

Independent, private sponsors, such as you, make this fine program possible. Since 1998, we have asked for your support so that we may continue to offer an array of high quality entertainment.

Please help us make this local event a huge success once again. All donations are sincerely appreciated and will be recognized as indicated in the chart below.
