

AN INTERFAITH PROFESSIONAL &
WORSHIP FOR THE LEAST OF THESE

THE PALM SUNDAY PATH

HEAL THE SICK. FEED THE HUNGRY. WELCOME THE STRANGER

FARGO-MOORHEAD

Centuries ago, Jesus entered Jerusalem on a donkey, symbolizing a humble, nonviolent leader who prioritizes dignity and the needs of all. Today, in the face of injustice and abuse of power, we are called to follow His example in solidarity with the marginalized yet again. All those who stand behind the values of healing the sick, feeding the hungry and welcoming the stranger are welcome.
