

International Survivors of Suicide Loss Day

November 22, 2025

Each year, AFSP supports hundreds of large and small Survivor Day events around the world, in which suicide loss survivors come together to find connection, understanding and hope through their shared experience. While each event is unique and offers various programming, all feature an AFSP-produced documentary that offers a message of growth, resilience and connection.

The North Dakota Chapter will host multiple Survivor Day events this year. These events are open to suicide loss survivors and are free of charge. A meal/refreshments will be provided at all in-person events.
