1.	Partner with a (new to your org) school and host a family tennis night. You might even consider making it a fundraiser for the school.
2.	Host a trick-or-treat themed play day for kids or families with music, food, and tennis at a local park or tennis facility.
3.	Host a tennis booth/contest/experience at a local High School football game, fall festival, pumpkin patch, corn maze, farmer's market or other community event.
4.	Partner with the local food bank and host a tennis social to raise money or canned goods for the Thanksgiving season. Work with the food bank to find out what would be best for them leading into Thanksgiving prep.
5.	Partner with the local Chamber of Commerce or Sports Council and host their fall networking outing - could be a play day, family night, beginner tennis clinics, social play, etc.
6.	October is adopt-a-dog month! Host a tennis event to support a local animal shelter or pet adoption program.
7.	Host a play day with a local veterans organization. (Veterans Day is Fri. Nov. 11, 2022)
