## TEACHER APPRECIATION WEEK

 Teachers! As we are not physically in school, we especially want to show our thanks to all of your extra efforts to continue to provide and improve education.

 You have all done an excellent job adjusting to new teaching environments and managing live classes

 We love & miss you, stay healthy!!

# Teacher Appreciation Week

To the lovely teachers of Lake Nona Middle School,

We appreciate all the effort you have put in to help us continue our learning during these difficult times. 

You have done a wonderful job in keeping our brains functional and learning.

Thank you for taking the time to make online learning convenient for all of us 

*We miss you & stay safe!!!*

# Thank You Teachers!

Thank you so much for helping us learn and grow even with the new challenge of coronavirus. How much time you spend to help all of your students is amazing! We want you to know that you are greatly appreciated by all of your students. We would not be where we are without you!

Remember  
to Stay Safe!

We appreciate the sacrifices you go through to help  
your students!

# Thank You Teachers!

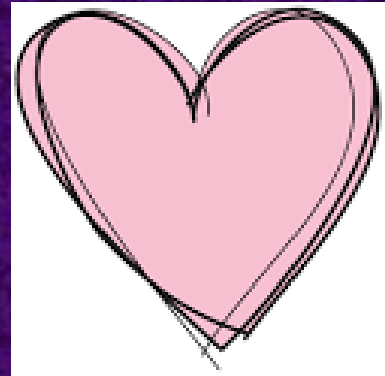

Thank you so much for  
supporting us and helping us  
learn, in-school and at  
home!

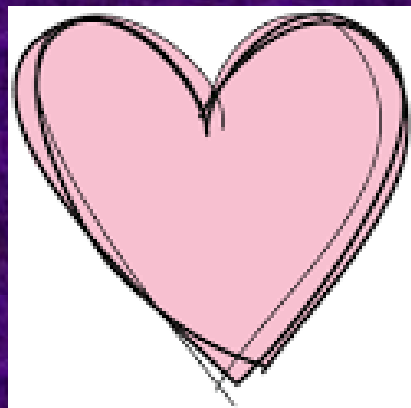

THANK YOU to all LNMS teachers and coaches,  
especially during this time where we can't physically go to  
school and learn directly from all of you wonderful  
people!!!

We want to thank you for creating assignments and posting  
videos for all of us to continue to learn and be successful in  
school.

We love each and every one of you and are so thankful for  
everything you do for us.

**HAPPY TEACHER APPRECIATION WEEK!!**

WE ♥ YOU GUYS!
