

2017/18

After School Programs Inc. is honored to service Tildenville Elementary School families for their Before & After School and VPK wraparound childcare needs. Providing our program in a safe and engaging environment is ASP's highest priority. Homework Assistance, Academic Enrichment, Recreation, Physical Fitness and Life Skills are topics covered daily, giving your student the opportunity to learn through play.

A non-refundable registration fee of \$12 per child is due at registration. As per school board policy, tuition fees are due in advance of care (every 4 weeks) and can be made payable to ASP via check, money order, or credit/debit card through our automatic debit system. Please see below for tuition fees.
