

August 8, 2018

Dear Parents and Guardians:

In our ongoing commitment to provide assistance to our students, Edgewater High School is pleased to offer after school and Saturday tutoring. These programs are designed to assist students in their current core classes along with preparing them for upcoming state and end of course exams.

There are a limited number of spaces in the program and students will be accepted on a first-come, first served basis. It is extremely important that if your child commits to this program, that they attend each scheduled day. Regular attendance greatly affects your child's progress and success. Transportation will be provided for both tutoring programs.

#### After School Tutoring

- Dates: Tuesdays and Thursdays starting on September 4th
- Times: 2:30-4:30 PM
- Location: Media Center
- Tutoring Available in:
  - Math- Algebra 1, Liberal Arts I, Geometry
