Dear Class of 2020,

There are no words I can formulate that can change how you likely feel right now— for lack of better words— this sucks. Allow yourself the freedom to feel this way, but, then I want you to keep some things in perspective:

- What you're feeling right now is temporary. This moment in time is nothing but that— a moment. It may be deeply painful and leave you longing for our lives before this moment— but it is still just that— a moment.
- It's okay to mourn the losses of the games you didn't get to play, the talent shows and plays that were cancelled, Senior Field Day, Grad Bash and Prom. Because these are all things you've looked forward to, we invite you to acknowledge what you've lost.
- You all are much stronger than you think. You have made it through the drama you thought for sure would ruin your life, and have come out on the other side of life experiences that you thought for sure you couldn't defeat— but you did.
- These final months you've missed cannot and will not nullify all you've gained from your time here. While it may seem unfathomable that you're ending your high school career in a way none of us could have intended, let this serve as a reminder to us all:

This is life. In life, we must adjust, we must adapt, and we must find new ways to celebrate our victories. We can't allow ourselves to bask in the sorrow of the day. Instead, let's look forward to the light at the end of the tunnel— where we take advantage of the time we will have with one another— and the memories that will have deeper meaning when all of this is over.

Sending so much love,

Dr. Rob

Congratulations Senior!

Diacom Productions is proud to be working with Orange County Public School by producing a Class of 2020 Virtual Graduation Ceremony for your High School. We need every student to help to make this a success, creating a memory that you can share with your family and loved ones! We want to make sure to include every student in this virtual ceremony. With that, we are requesting that every senior provide the following 4 recorded videos listed below and on the next page using your cell phone to record each one.

Please record all footage in landscape like this sample:

Please DO NOT record any footage in portrait like this sample:

We will need you to record 4 different shots selections. Please follow these instructions to the best of your ability. Please try not to move or shake the camera if at all possible when recording. The varying shots are on the next page. When you're finished please drop all 4 files to the Dropbox link provided below.

IMPORTANT REMINDER:

- 🔊 Your **ROLL CALL** video file must be renamed.
 - 🔊 It must be changed to your **LAST NAME, FIRST NAME** with **ROLL CALL** at the end.
- SMITH, DAVID roll call... IF YOUR FILE DOES NOT HAVE YOUR NAME ON IT, IT WILL NOT BE USED.**

We need for you to upload your files to the following link beginning on 5/1/2020 and no later than 5/11/2020:

<https://tinyurl.com/EdgewaterVirtualGradVideos>

Dress Code Restrictions: We can not accept any jeans, clothing with tears or holes, shirts with graphics and no cap and gown attire (the County has made the decision that no students will wear cap and gowns due to the fact that not all students would have the opportunity to be able to receive theirs in time for this ceremony). Don't fret! Students **WILL** submit photos **in their cap and gown** for the GradImages Celebration website and are able to download this special memory from the website.
