

## Teach-In 2021 at Evans High School

# Teach-In 2021

 FOUNDATION  
FOR ORANGE COUNTY PUBLIC SCHOOLS  
Investing in Success

**At last, you can be the head of the class!**

**Celebrate American Education Week**  
November 15-19, 2021

“Celebrate public education and honor the individuals working to ensure that every student receives a quality education.”

Be a “Teacher for a Day” at  
**EVANS HIGH SCHOOL**

November 18, 2021

- Join community leaders, educators, school administrators, parents, students and thousands of volunteers.
- Talk to students about your career, your hobbies or your educational experiences.
- Learn what it's like to be a student in a 21st century classroom.

Or email: [barbara.verity@ocps.net](mailto:barbara.verity@ocps.net)

*(Evans High School Teach-In Coordinator)*

Search Opportunities >Volunteers > Enter the name of the school of your choice  
and sign-up for the “Teach-In” volunteer opportunity.

*Be a part of **Pride • Determination • Perseverance at Evans High School***

We are excited to announce that Teach-In 2021 will be occurring Thursday, November 18! In the past you have presented, or been interested in doing so at our annual Teach-In and the students have really gained some wonderful insight, information and motivation they can use in their future endeavors. I am reaching out to see if you would be interested in creating a 15-20min video presentation we can share with our students.

This year we will have in person and virtual means of communicating with our students. Take a look at the info and complete the necessary steps if you are interested in participating.

### **General Information on Presentations:**

We are looking for members of the community to speak about your educational and career experiences to inspire our students so pass this information along to anyone else who may be interested but has not been able to physically attend in the past! Presentations should be no more than 40 minutes and you can use any

means of delivery you would like; i.e. powerpoint, podcast, google slides, etc. If in person you will have access to a docking station and SmartBoard in the classroom. If you have props you would like to bring in but are unsure if they would be appropriate please feel free to ask in advance.

**In Person Teach-In Participation:**

Applying through ADDitions:

Please go to the following link to apply through Orange County's ADDitions system if you have not already done so: [https://ocps.samaritan.com/custom/503/opp\\_search?udf734=Volunteers](https://ocps.samaritan.com/custom/503/opp_search?udf734=Volunteers)

Once on this page, click on the ADDitions School Volunteers box/link and complete the information requested. If you have already signed up to be an ADDitions volunteer you will only need to complete the steps below to sign up for the event.

To sign up for the event:

Once you have been approved, you will then need to volunteer for the "Opportunity" by going to the same website ([https://ocps.samaritan.com/custom/503/opp\\_search?udf734=Volunteers](https://ocps.samaritan.com/custom/503/opp_search?udf734=Volunteers) ), scrolling down to "Opportunity Type" to check "volunteers." Type Evans High in The "search school" box next to "search by school" and finally scroll through the opportunities to find Teach-In

**Virtual Teach-In Participation:**

The way you choose to present your information is completely up to you/ your team. Platforms our teachers and students have used in the past to create video lessons and presentations are through Loom and Flipgrid. Power points/ Google Slides are not necessary but you can certainly include them if you wish. As stated above, presentations can be approximately 20 min long. We welcome all submissions! Once I know whether we have any virtual presentation I will send a link where you can provide the video of your presentation. In addition, I can also create a Microsoft Teams Mtg for you to speak to the class live but virtually

Thank you for your time and I look forward to hearing from you!
