November 11-November 17 2018

DOUGH RAISER

Dear Students, Parents, Faculty & Staff,

Domino's is very excited to support schools by helping to raise money for much needed programs and supplies.

On your school's Dough Raising Day we will donate 10% of our entire day's purchases back to your school.

Call your friendly Domino's® store on the designated day mentioned below to order your meal, or order online and we'll take care of the rest!

Remember you MUST be ADDITIONS approved for this school year!

A BIG thank you to Nemours Children's Health System for their support of our Knights.

At Nemours Children's Health System, we know that children's social interactions can have a big impact on their overall health, especially in the middle school and high school years. That's why we were very pleased to sponsor last month's "Soul Shoppe" workshop for Lake Nona Middle School 6th graders. We hope your child picked up a few tips from the workshop that will make it easier for them to navigate the transition from primary school to middle school and beyond. As challenging as these years are for students, they also require teachers and administrators to be fully present for students and to find the right words to say in sensitive situations. To make the teaching staff's job a bit easier, Dr. Lisa Spector, Nemours Division Chief of Developmental & Behavioral Pediatrics, will be a guest at the January 16, 2019 staff meeting and will discuss ways to identify bullying in the classroom, how best to intervene, and how to provide support tools for students.

We also call Lake Nona home and are happy to be partners with parents and local schools to help put our community's children on the path to a lifetime of good health.'
